

Program **DRAFT**

WRIST ARTHROSCOPY COURSE

Training on Anatomical Specimen

Advanced Course - Taiwan

September 25th and 26th 2009

Organized by GEAP-EWAS
With the support of :

FESSH, Honk-Kong Society for Surgery of the Hand, CUHK Depart. of Orthopaedics and Traumatology

Course Director :
C. MATHOULIN (France)

Co Course Director :
P.C. HO (Hong-Kong SAR, China)
T. NAKAMURA (Japan)

Faculty :

Local Regional Team

W.C. CHEN (Taiwan)
W.-L. TSE (Hong-Kong SAR, China)
J.-T. SHIH (Taiwan)
Y. ABE (Japan)

European Team

A. ATZEI (Italy)
D. FONTES (France)
M. HAERLE (Germany)
R. LUCHETTI (Italy)

This program may be subject to modifications

GEAP Wrist Arthroscopy Course

Friday, September 25th

Morning

08.30	Lecture 1	
	TFCC repair, a new approach (30 min) TFCC reconstruction (30 min)	A. Atzei P.C. Ho
09.30	Practical Session 1 (Part 1) TFCC Reconstruction	
09.30	Experts help students directly at their allocated tables on an anatomical specimen with simultaneous teaching Individual practical training by students (1 expert for 2 operating tables)	<i>All Experts</i>
10.45	Break (30 min)	
11.15	Practical Session 1 (Part 2)	
12.45	Lunch at the Institute	

Afternoon

02.00	Lecture 2	
	1 st CMC arthroscopic arthroplasty (30 min) Scapho-lunate Tears : Wrist arthroscopy dorsal capsulodesis (WADC)(20 min)	D. Fontes C. Mathoulin
03.00-04.15	Practical Session 2 (part 1) 1 st CMC arthroscopic arthroplasty, WADC	
03.00	Experts help students directly at their allocated tables on an anatomical specimen with simultaneous teaching Individual practical training by students (1 expert for 2 operating tables)	<i>All Experts</i>
04.15	Break (20 min)	
04.35-05.30	Practical Session 2 (part 2)	

GEAP Wrist Arthroscopy Course 2008

Saturday, September 26th

Morning

08.30	Lecture 3	
	Sauve-Kapandji procedure (30 min)	R. Luchetti
09.15	Practical Session 3 (Part 1) Sauve-Kapandji	
09.15	Experts help students directly at their allocated tables on an anatomical specimen with simultaneous teaching Individual practical training by students (1 expert for 2 operating tables)	<i>All Experts</i>
10.30	Break (30 min)	
11.00	Practical Session 3 (Part 2)	
12.15	Lunch at the institute	

Afternoon

01.30	Lecture 4	
	Wrist arthroscopy in distal radius fracture (30 min) Scaphoid Non-union (30 min)	Y. Abe W.L. Tse
02.00	Practical Session 4 Scaphoid non union	

4.00 End of the seminar

Special thanks to Karl Storz Endoscopie which financial contributions and technical supports enabled us to set up this course.
